

Pop-up Vendors

You've probably seen a pop-up shop at your local retailer, boutique, or even the grocery store – essentially, it's a short-term, temporary retail event that is "here today, gone tomorrow". The Doswell Vendor Committee, led by Chair John Green, is taking that concept a step further with our pop-up vendor booths which we hope will introduce rally attendees to new products and resources.

The pop-up vendor booths will be open Saturday, July 20, and Monday through Thursday, July 22nd, 23rd, 24th, and 25th from 11 am to 2 pm in the Farm Bureau Center West Hall. Some pop-up vendors may choose to extend their hours of operation either before, after, or during the entire day...but at a minimum, they have committed to be in their booth during those core hours.

POP-UP VENDORS

Air Drapes (Booth J6) – Offering custom draperies for Airstreams.

Billy Steers (Booth J5) – Billy will be offering a children's book titled, "Let's Just Go."

Harrison Honey Products (Booth J2) – Pure, sweet, sticky goodness. With access to hay crops and wildflowers, our bees produce honey that is wonderfully light and mild. Honey so good, it's magical.

Hutch Mountain (Booth J1) – Selling propane generator conversion kits for life's work, survival and play! Honda EU2000i & EU2200i Propane Conversion. Engineered for safety & easy installation. A true tri-fuel propane, natural gas & gasoline conversion.

Kukstis Woodcarving (Booth J3) – Here you will find hard-carved folk art and signs proudly crafted in the New England tradition by Paul Kukstis. All pieces are handmade with custom-made knives, chisels, and gouges, using only select pine, basswood, teak, or mahogany.

Trostle Creative (Booth J4) – Offering a children's book titled "Adventures of Shining Hope" authored by Libby Trostle, owner of the company. Also, camping related window decals, handmade decal tee shirts, and accessories.
