**SkyMed****Booth B1 & C1**

Most people have health insurance; when they're ready to travel, adding travel insurance should be enough to cover "life's unexpected moments," right? Wrong. Being stranded somewhere other than your hospital of choice should never be an option. Unfortunately, this practice is widely accepted as being good enough. Emergency situations don't come with a warning. SkyMed offers peace of mind that can translate into thousands of dollars in savings should you need a medical evacuation when traveling.
